How One Woman Got Her Furniture At a Bargain

The amount Mrs. G. had to spend was limited. It would buy a bed, mattress and springs and a small rocker.

But Mrs. G. needed a dresser, a small table, a dining table and several chairs besides.

How could she get them?

Well, there were the WANT ADS. She had never taken much stock in them, but that night she read and checked with a pencil as she read.

The bed and dresser were bought on street, and some other articles out on avenue. And the dining table and chairs on street. She had \$2.15 left!

Now Mrs. G. is strong for Star-Bulletin WANT ADS. She knows that one profits through reading them.
